# Department of English Language and Literature

---

## Academics

The Department of English Language and Literature was founded in 1965 as part of Sungshin Women's University's educational program in foreign languages. The Department opens courses for specialization in English, British and American literary studies, English Education and Linguistics. Upon graduation, students can embark upon a graduate program in both English Language and Literature or in English Education. The Department's educational goals include the following: 1) practical and technical skills of reading, listening, speaking, and writing; 2) specialization in Linguistics, British and American Literary Studies, and English Education; and, 3) training in critical analysis of the culture and philosophy of the English speaking global world.

---
